PERSONAL PROJECTS

Local Market (05/2023 - 06/2023)

- This the website designed with the thought that the every goods and services will be provided to the users from there local market in minutes .
- TechStack - HTML ,CSS , JAVASCRIPT
- website : <https://local-market.onrender.com>

MyChat (08/2023 - 09/2023)

- This is a real time chating website , just like whatsapp . I soley made this website with intend to have better grab on Backend too.
- TechStack - HTML,CSS,JAVASCRIPT,NODE JS,MONGODB
- website : <https://mychat-563h.onrender.com>

Sanrakshak (10/2023 - 11/2023)

- We've developed a comprehensive website that serves as a central hub for disaster management, providing real-time alerts, precautionary measures, and detailed information about shelters.This project is a prototype for SIH
- TechStack - MERN Stack
- website : <https://sanrakshak.onrender.com>

ACHIEVEMENTS

SIH (Smart India Hackathon) - National Institute Of Technology , Kurukshetra (09/2023)

Our team got selected in internal round of SIH where approx. 100 of teams had participated and out of which 30 got selected from the collage as per the government guidelines.

CODERUN (Competitive Coding of Collage) - Technobyte , NIT Kurukshetra (10/2023)

I got the First position in my collage internal competitive coding organized by our technical society (Technobyte) in which i have solved 3 out of 3 questions in 1-hour of timelimit.

Branch Topper of Second Semester – NIT Kurukshetra (2023)

I got 9.4783 CGPA in Second Semester and on this CGPA I got rank 1 in my branch (Information Technology) and thus get awarded in 19th Convocation.
